For more information, please contact: RWSS Coordinator - Farzin Aram 619.668.2020 faram@sandiego.gov

The City of San Diego Public Utilities Department

This half-day webinar is designed to provide recycled water users in the state of California with the necessary information required to become fluent in the operational practices of recycled water.

The webinar will be held virtually, and instructed in English, using Microsoft Teams. Attendees will not be required to use a webcam or microphone, but must be present for the entire webinar. In order to earn credit, participation is required during the webinar and attendees must submit completed assessments after the webinar.

Public Utilities Department is accredited by IACET to offer 3.6 Contact Hours and 0.4 CEUs.
