(1) Using the current benefit plan year's premium rates and a 5% projection for possible cost increases in subsequent years, DISTRICT estimates the projected cost for EMPLOYEE to pay 50% of the employee-only monthly premium for dental and/or vision coverage and 50% of the employee-only monthly medical premium/s, with DISTRICT paying the remaining 50% of the employee-only dental and/or vision and employee-only monthly medical premium/s.

(2) The full amount as calculated in Paragraph 3.e.vi.1., above is the amount that will be transferred from EMPLOYEE'S final sick leave balance to EMPLOYEE'S HRA account, which will be used to make the monthly premium payments until the HRA account balance is depleted or the retiree or their covered spouse, if applicable, reaches

- (4) Once EMPLOYEE and/or EMPLOYEE'S covered spouse becomes eligible for Medicare, which makes them ineligible to continue on DISTRICT'S medical coverage, they are also no longer eligible to continue on DISTRICT'S dental and/or vision coverage.  - (a) Cashing out half of EMPLOYEE'S remaining sick leave hours balance, up to the maximum as outlined below, or all of their remaining balance, whichever is less; or

ii. For Cause.

DISTRICT may terminate this Agreement for cause. EMPLOYEE will not be entitled to severance if his employment is terminated by DISTRICT at any time for cause. Cause for termination shall be defined for purposes of this Agreement as: (1) malfeasance, (2) gross negligence, (3) fraud, (4) serious misconduct which would constitute a violation of DISTRICT policy, or state or federal law, (5) material misrepresentation to the Board, (6) moral turpitude, (7) conviction of a felony on the part of EMPLOYEE, or (8) notice of unsatisfactory performance and failure to correct performance within three months. Conviction for purposes of this Agreement includes a judgment entered after a trial, plea of guilty or plea of nolo contendere. EMPLOYEE has no right to a hearing or other review of the reason for his termination by DISTRICT and expressly waives any and all such rights as may be otherwise provided by law or which may be applicable to other DISTRICT employees.

iii. By Retirement.

The employment of EMPLOYEE, and this Agreement, shall automatically terminate upon the retirement of EMPLOYEE and upon EMPLOYEE giving ninety (90) days written notice of such retirement to DISTRICT.

iv. By Death or Disability.

The employment of EMPLOYEE, and this Agreement, shall automatically terminate upon the death of EMPLOYEE or upon the separation of his employment because of disability, which prevents EMPLOYEE from performing the essential functions of his job even with reasonable accommodations. As used herein, disability shall be defined as inability to perform essential job functions for a period of over six months. Neither EMPLOYEE nor his heirs, administrators, or assigns shall have any right under this Agreement to salary after such death or disability, but they shall have such rights and benefits as may be provided by law, including, as provided by law, rights to any accrued vacation to which EMPLOYEE was entitled at the time of termination, and shall have such rights to any accrued sick leave accrued by EMPLOYEE at the time of termination, up to the cap established in this Agreement.

8. SEVERANCE PAY.

DISTRICT shall have the right to terminate EMPLOYEE'S employment at any time during the term of this Agreement, with or without cause. In the event that EMPLOYEE'S employment is terminated by DISTRICT, under Paragraph 7.b.i. without cause, EMPLOYEE shall be entitled to the severance benefits stated below upon execution of an agreement with a general waiver of claims, as follows:

a. Computation: Items Included.

Severance benefits under this Paragraph 8 shall be computed based upon EMPLOYEE'S monthly base salary in effect at the time of termination.

b. Amount of Severance.

The amount of severance benefits shall be (1) a lump sum equal to three (3) months' base salary at the time of termination unless otherwise negotiated by the Parties and (2) continued payment by DISTRICT of health and dental benefits for EMPLOYEE and his eligible dependents for the same number of months as are paid for salary severance benefits, or until EMPLOYEE is re-employed, whichever is sooner.

c. Separately Negotiated: Waiver.

The parties expressly acknowledge and agree that these severance pay provisions have been independently negotiated. Acceptance at the time of termination by EMPLOYEE of the severance pay benefits provided by this Paragraph 8 shall operate as a full and complete waiver and release of any and all rights, claims, and/or causes of action which EMPLOYEE may have, or have had, at any time, in the past or in the future, arising out of EMPLOYEE'S employment by DISTRICT including but not limited to claims for wrongful termination. If EMPLOYEE wishes to retain any such rights, EMPLOYEE must decline to accept the severance benefits provided by this Paragraph 8. To receive severance benefits, EMPLOYEE must execute a Severance Agreement and General Release satisfactory to DISTRICT. In the event EMPLOYEE elects not to sign the Severance Agreement and General Release, EMPLOYEE will not be entitled to severance benefits.

Acceptance of the severance benefits under this Paragraph 8 will operate as a general release on the part of EMPLOYEE as to all claims, known or unknown, and EMPLOYEE specifically waives the provisions of California Civil Code Section 1542 which provides:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR."

d. Legal Limitations on Severance.

This Paragraph 8.d. is intended to comply with the provisions of Government Code Section 53260, et seq., and in no event shall EMPLOYEE be entitled to severance benefits greater than provided for therein. This agreement in no way

affects EMPLOYEE'S rights to continue health insurance coverage as required under COBRA for EMPLOYEE and EMPLOYEE'S eligible dependents.

9. STATUTORY OBLIGATIONS: ABUSE OF OFFICE OR POSITION.

Pursuant to Government Code Section 53243, et seq. which became effective on January 1, 2012, if EMPLOYEE is convicted of a crime involving an abuse of his office or position, all of the following shall apply: (1) if EMPLOYEE is provided with administrative leave pay pending an investigation, EMPLOYEE shall be required to fully reimburse such amounts paid; (2) if DISTRICT pays for the criminal legal defense of EMPLOYEE (which would be in its sole discretion, as it is generally not obligated to pay for a criminal defense), EMPLOYEE shall be required to fully reimburse such amounts paid; and (3) if this Agreement is terminated, any cash settlement related to the termination that EMPLOYEE may receive from DISTRICT shall be fully reimbursed to DISTRICT. For this Paragraph 9, abuse of office or position means either: (1) an abuse of public authority, including waste, fraud, and violation of the law under color of authority; or (2) a crime against public justice, including a crime described in Title 7 commencing with Section 92 of the Penal Code.

10. MISCELLANEOUS.

a. Governing Law.

This Agreement shall be interpreted and enforced in conformance with California law.

b. Entire Agreement.

This Agreement together with the exhibits represents the entire agreement between the parties and supersedes any prior agreements, written or oral, any and representations, written or oral, not expressly included herein.

c. Venue.

The venue for any litigation to interpret or enforce this Agreement shall be San Diego County Superior Court.

d. Integration Clause.

If any part, provision, paragraph or subparagraph of this Agreement shall be held to be void or unenforceable by a final judgment of a court of competent jurisdiction, then unless that provision is found in such proceeding to be material to this Agreement, said void or unenforceable provision shall be severed from this Agreement and the balance of this Agreement shall remain in full force and effect. In the event that the void or unenforceable provision is found to be material to this Agreement then the entire Agreement shall be voided.

e. Independent Review: Interpretation.

EMPLOYEE and DISTRICT affirm in signing this Agreement that they have each had an opportunity to review and consider this Agreement, and to have it reviewed and to receive advice from independent advisors of their own choosing, including attorneys, and that each knowingly and voluntarily enters into this Agreement. EMPLOYEE and DISTRICT further affirm that this Agreement was the mutual product of their negotiations, including give and take, and that neither party shall be considered the drafter of this Agreement such that the Agreement is interpreted against that party.

f. Public Record.

EMPLOYEE acknowledges that this Agreement, upon final execution, will become a public record under California law available for public inspection and copying.

g. Counterparts.

This Agreement may be signed in counterparts.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the day and year first above written.

MEMO

TO: Board of Directors

FROM: David Shank, Assistant General Manager/CFO

DATE: September 23, 2019

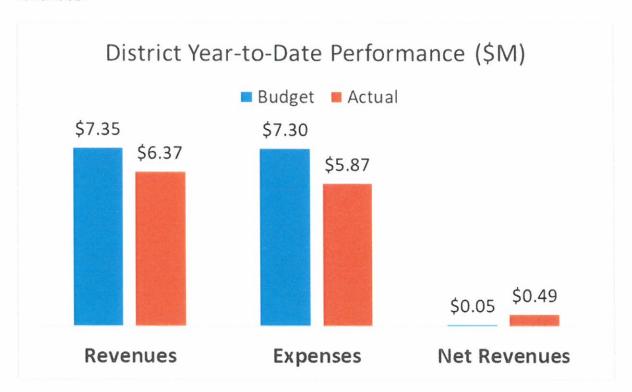

SUBJECT: Financial Summary Report

Purpose

Provide an overview of changes in the District's financial position.

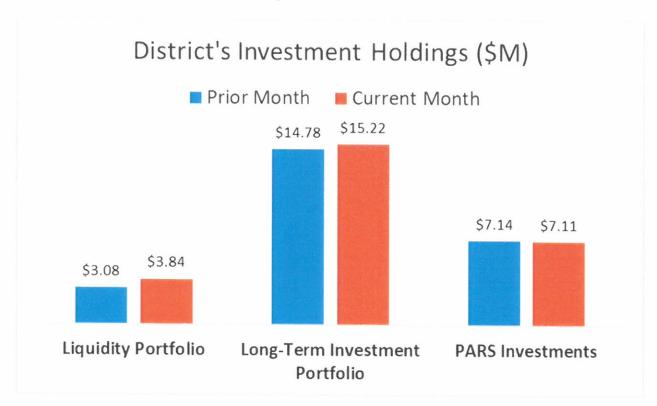

Summary

The graph below shows the District's year-to-date Revenues, Expenditures and Net revenues.

Total revenues are under budget due to lower than expected water sales. Expenditures, including the PAYGO Capital Improvement Program expenditures, are below budget due to reduced water purchases due to lower demands and lower than budgeted operating and capital expenditures. Because expenditures are down more than revenues, net revenues are better than budgeted. This means that the District's financial performance over all is slightly better than budgeted.

The graph below shows the District's bank holdings reported in the Treasurer's Report at the end of the current and prior month.

Overall the District's financial position improved this month with \$1.2 million more held in District accounts. The change in the Liquidity Portfolio, as shown in the operating results above is due to higher revenues and lower expenditures. Lower than budgeted capital expenditures is an important part of the District's ability to increase its investment holdings in these accounts.

MEMO

TO: Board of Directors

FROM: David Shank, Assistant General Manager/CFO

DATE: September 23, 2019

SUBJECT: Budget Status Report for Fiscal Year 2019-2020

Purpose

Provide a Budget Status Report (BSR) to the Board.

Summary

The BSR shows the District's financial performance compared to the budget for the month of August, Year-to-Date and the annual budgeted amount.

Total revenues year-to-date are below budget by 13.4%. This under performance is due to lagging water sales, which as shown in the monthly water sales chart below are 19% below budget. Staff are analyzing recent water use trends to help identify where use patterns are changing and what is driving them.

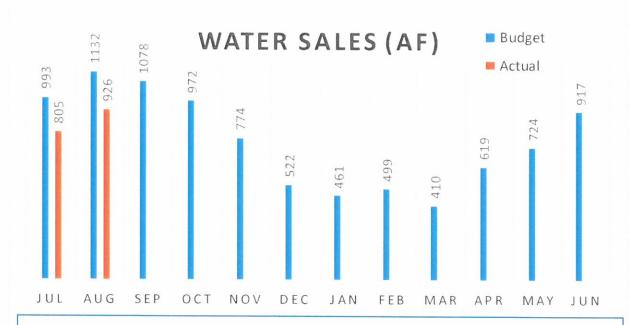

Non-operating revenues have been higher than budgeted helping to offset lower operating revenues. The higher than budgeted non-operating revenues have been driven by capacity charge revenues along with facility rent and other non-operating revenues, which are over the budgeted levels.

The District's year-to-date total expenditures are under budget due to the lower than budgeted purchased water expense, which is a result of lower water sales levels and lower than budgeted operating expenditures.

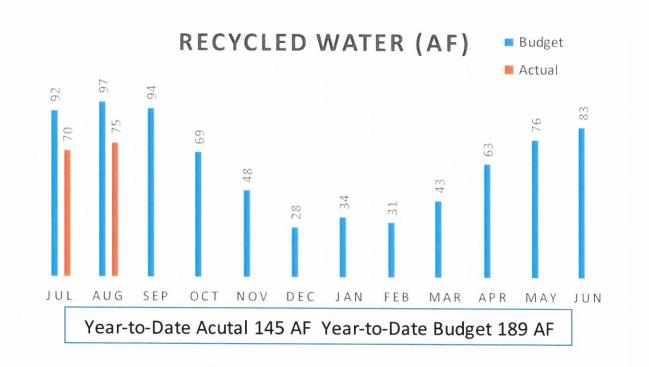

Total revenue is \$6,365,720 or 13.4% under budget and total expenditures are \$5,463,954 or 19.1% under budget. Capital spending is currently 25% under budget but expected to trend towards budget. As a result, the District financial position is better than budget expectations.

MEMO

TO: Board of Directors

FROM: David Shank, Assistant General Manager/CFO

DATE: September 23, 2019

SUBJECT: Revised Budget Status Report for Fiscal Year 2019-2020

Purpose

Provide a Budget Status Report (BSR) to the Board.

Summary

The BSR shows the District's financial performance compared to the budget for the month of July, Year-to-Date and the annual budgeted amount. This is the first period reported in the new fiscal year.

Total revenues for this first period are below budget by 14% due primarily to lower than expected water sales revenues. Given this is the first period of the year and there are many assumptions embedded in the revenue forecasts, staff will monitor and analyze the variances as we get more data.

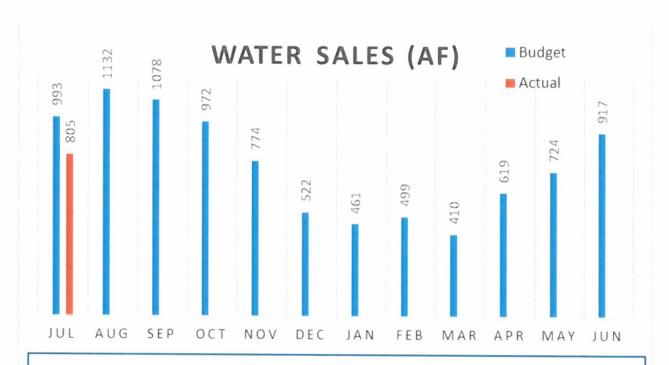

Non-operating revenue shows slightly higher than budgeted revenues. This is driven by portfolio interest and other Non-Operating revenues, which are over the budgeted levels.

The District's expenditures overall are under budget due to the lower than budgeted purchased water expense, which is a result of lower water sales levels.

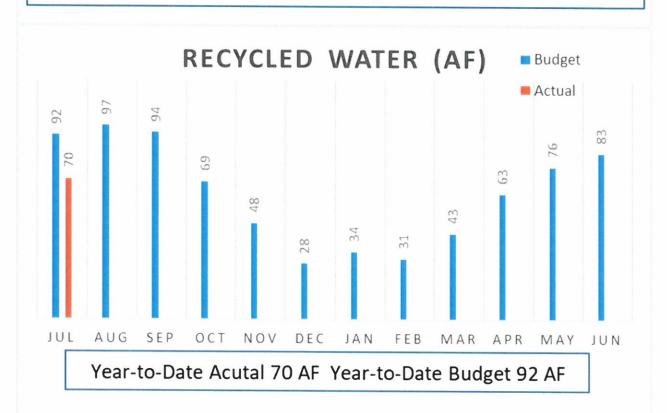

Total revenue is \$3,048,198 or 14% under budget and total expenditures are \$3,400,309 or 4.0% under budget. Capital spending is currently 28.5% under budget but expected to trend towards budget. As a result, the District financial position is slightly better than budget expectations.

DIRECTOR'S REPORT OF CONFERENCE / MEETING ATTENDANCE

Director Name:Jennifer DeMeo
Name & Location of Function: San Diego Chapter CSDA Quarterly Dinner Meeting The Butcher Shop Steakhouse, 5255 Kearny Villa Rd, San Diego, CA
Date(s) of Attendance: Thursday, August 15, 2019
Purpose of Function: <u>Education</u>
Sponsoring Organization: SDCSDA Chapter
Summary of Conference or Meeting:
Santee Mayor John Minto introduced the Highway 52 Coalition to fix the freeway congestion. They have made significant progress and will be shovel ready in the next couple of months. Their efforts as a non-profit have made more progress than our local government fixing our traffic issues in San Diego.
Candidates for the the SD County Consolidated Redevelopment Oversight Board were given a chance to tell us why we should vote for them.

The Administrative Code requires reports of conferences or meetings for which a director requests per diem or expense reimbursement. Reports must be submitted to the secretary no later than one (1) week prior to the board meeting.

Director Name:Jennifer DeMeo				
Name & Location of Function: COWU ByLaws Committee Meeting, SDCWA Lobby Conference Room, 4677 Overland Avenue, San Diego, CA 92123				
Date(s) of Attendance: Wednesday, August 21, 2019				
Purpose of Function: Education				
Sponsoring Organization: Sweetwater Authority				
Summary of Conference or Meeting:				
Plans were discussed to clarify the role of this organization going forward. It will continue to be an educational forum for local water agencies. It was decided that we would survey the members who have been attending the monthly breakfast as to whether to involve a fiscal agent for administrative needs or to create our own new non-profit organization that would better represent the goals of the group going forward.
